Top line

- This is a 2,000 point Outriders MK Singles event for Warhammer 40,000.
- Our aim is to give new and improving players an enjoyable, tournament experience, while offering experienced players somewhere to test ideas. However, most importantly, we want everyone to have fun rolling dice.
- This event will be run using Warhammer 40,000 Matched play rules & Chapter Approved Grand Tournament Pack / Deck 2025-2026.
- All current FAQ's are in effect up to the list submission date. We use the UKTC FAQ rulings. With the new pack, you may have lots of questions - you can ask us by reaching out to Ben Pid, Davey Liddle or Davide Bianchini on Facebook directly.
- Food, alcoholic and non-alcoholic beverages are all available to purchase at the venue (ID might be required when purchasing alcoholic drinks).

Tickets

- Entry is £20 per player. When making your payment you must add a message saying ***YOUR NAME*** and ***THE EVENT*** eg *Anthony Lown - 40k tournament -(DATE)*.
- Payment via friends and family to theoutridersmk@gmail.com. This must be sent prior to list submission.
- Prizes for 1st, 2nd, 3rd. We'll add more at the TO's discretion.
- Refunds are not available within 7 days of the event.

What you need to bring

- A 2,000 point army. Please aim to make as much as your army WYSIWYG (what you see is what you get). Anything that is not WYSIWYG should be cleared with the TO prior to the event.
- Your army doesn't have to be battle ready. However, to secure the 10VP for battle ready, all models must be painted to a Battle Ready standard as per the Chapter Approved tournament packs.
- All conversions and proxies should bear a logical resemblance to the original model and should be of comparable dimensions to the latest Games Workshop model. No bent over Deathleapers, for example. If in doubt, reach out to the TO.

List Submission

- Lists must be uploaded to Best Coast Pairings by **11:59pm on the Thursday** prior to the event.
- Please use the GW App or Battlescribe to build your army where possible as this makes it much easier to list check!

Mission Selection

- Deployment Maps will be pre-selected before the event. Please see the bottom of this pack.
- Terrain rules can be found here.

Pairings

- Pairings will be random for Round 1, rounds 2 and 3 will be based on a Swiss scoring system.
- First round pairings will be drawn on the Friday before the event.
- If your opponent hasn't arrived within 15 minutes of the round starting, we will do our utmost to manually repair you. However, this may result in a bye.
- If you need to drop out or cancel - that is absolutely fine (we know life happens!). Just please let the TO know as soon as possible.

Sportsmanship and Etiquette

- The following behavior is not expected and anything contrary may result in VP penalties or expulsion;
    - Both players are expected to play the game with intent to win and play fairly.
    - No 'back seat' gaming or coaching.
    - All Outriders are expected to treat people and the store with respect.
    - Scoring per game will be done as per the mission description.
    - Good sportsmanship
- Any serious violations of the above will mean refusal of entry to future events. As a member of the TO community, a report may be shared with other TOs in the area.

Missions;

We'll be using the UKTC's fantastic new maps. Huge thank you to the UKTC for creating a strong and diverse mission pack. Please check out their events at UKTC.events/40k. They host the very popular LGT, which plenty of Outriders players go to. If you're interested and want to know more, feel free to speak to an Outriders TO or speak to the UKTC directly
